CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website at www.hkgem.com in order to obtain up-to-date information on GEM-listed issuers.

RESPONSIBILITY STATEMENT

This circular, for which the Directors of the Company collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors of the Company having made all reasonable enquires, confirm that, to the best of their knowledge and belief:

- (i) the information contained in the circular is accurate and complete in all material respects and not misleading;
- (ii) there are no other matters the omission of which would make any statement herein misleading; and
- (iii) all opinions expressed in this circular have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

Sau San Tong Holdings Limited
Cheung Yuk Shan, Shirley
Chairman

This is an explanatory statement given to all shareholders of the Company relating to the resolution to be proposed at the AGM authorizing the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

If the Repurchase Mandate was exercised in full, on the basis of 959,880,000 shares in issue as at the Latest Practicable Date, could result in up to 95,988,000 shares to be repurchased by the Company during the period up to the conclusion of the next AGM of the Company, the expiration of the period within which the next AGM of the Company is required by any applicable law or the articles of association of the Company to be held or when the Repurchase Mandate is revoked or varied by an ordinary resolution by the shareholders in general meeting, whichever is the earliest.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its shareholders for the Directors to have a general authority from shareholders to enable the Company to repurchase shares in the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per share.

3. FUNDING OF REPURCHASES

Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with its memorandum and articles of association of the Company and the laws of the Cayman Islands.

4. EFFECT OF EXERCISE OF THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the Annual Report 2007) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. DISCLOSURE OF INTERESTS

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective associates, have any present intention, if the Repurchase Mandate is exercised, to sell Shares to the Company or its subsidiaries.

6. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a shareholder, or a group of shareholders acting in concert, depending on the level of increase in the shareholder's interests, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors are not aware of any consequences which could arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, Biochem and Dr. Cheung, who are the substantial shareholders of the Company, held in aggregate approximately 38.99% of the shares of the Company. Upon exercise in full of the Repurchase Mandate, such percentage shareholding will be increased to 43.32% and such increase would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeover Code. The Directors have no intention to exercise the Repurchase Mandate to repurchase shares to such an extent that would give rise an obligation to make a mandatory offer under Rule 26 of the Takeover Code.

8. SHARE PURCHASE MADE BY THE COMPANY

No repurchases of securities have been made by the Company in the previous six months before the Latest Practicable Date, whether on the Stock Exchange or otherwise.

9. CONNECTED PERSON

No connected person (as defined in the GEM Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company, nor has undertaken not to do so, in the event that the Repurchase Mandate is approved by the shareholders.

10. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the GEM during each of the previous fourteen months before the Latest Practicable Date were as follows:

	Shares
